What we do (official pad)

Digital Solutions - Website Design - SEO Optimization

Tech Integration - Global Connectivity - Cloud Services
Plus: eCommerce, Custom CRM, Client Portals, Dashboards, WhatsApp & n8n Automation, AI Agent Systems, API Integrations, Maintenance & Support.

Console logins - Super Admin & Admin

One login for both roles: /#/admin - Client portal: /#/portal

Sign in with your console email + password. Your role - assigned to your account, never chosen on the login screen - decides access. Forced password change on first login, optional 2FA, lockout after failed attempts, full audit log. Passwords are never printed on official documents.

Super Admin | Admin

SUPER ADMIN: full control - team & roles, settings, feature/payment switches, AI workforce, final approvals, official documents, audit logs.
ADMIN: operations - clients, projects, content studio, software factory, reports, media & feeds.
Cannot change roles, governance switches, or gateway credentials.
Need access? A Super Admin creates accounts in Team > Create user (one-time temporary password).
